INFORMATION DISCLOSURE STATEMENT

Sir:

This Information Disclosure Statement is submitted:

Under 37 CFR 1.97 (b), or
(Within three months of filing national application; or date of entry of national application; or before mailing date of first office action on the merits; whichever occurs last)

Under 37 CFR 1.97(c) together with either a:
Statement under 37 CFR 1.97(e) the item of information was cited for the first time in a communication from a foreign patent office in a counterpart foreign application, not more than three months prior to the filing of the statement, or
a \$180.00 fee under 37 CFR 1.17(p), or
(After the CFR 1.97(b) time period, but before final action or notice of allowance, whichever occurs first)

X Under 37 CFR 1.97(d) together with a:

X Statement under 37 CFR 1.97(e)(1) or (2), and
A \$180.00 fee set forth in 37 CFR 1.17(p)

(Filed after final action, a notice of allowance, on or before payment of the issue fee)

X The citations referenced herein, copies attached, may be material to the examination of the above-identified application and are, therefore, submitted in compliance with the duty of disclosure as defined in 37 C.F.R. 1.56. The Examiner is requested to make these citations of official record in the application.

This Information Disclosure Statement submitted herewith is not to be construed as a representation that a search has been made, that additional items material to the examination of this application do not exist, or that any one or more of these citations constitute prior art under 35 U.S.C. 102.

PAYMENT OF FEES

Please find enclosed a check in the sum of \$ 0.00 .

X At any time during the pendency of this application, please charge any fees required or credit any overpayment to Deposit Account 23-0085 pursuant to 37 CFR 1.25.

X Applicant(s) submit herewith Form PTO 1449 – Information Disclosure Statement together with any required copies of patents, publications or other information of which applicant(s) are aware, which applicant(s) believe(s) may be material to the examination of this application and for which there may be a duty to disclose in accordance with 37 CFR 1.56.

_____ A concise explanation of the relevance of foreign language patents, foreign language publications and other foreign language information listed on the Form 1449, as presently understood by the individual(s) designated in 37 CFR 1.56(c) most knowledgeable about the content is given on the attached sheet, or where a foreign language patent is cited in a search report or other action by a foreign patent office in a counterpart foreign application, an English language version of the search report or action which indicates the degree of relevance found by the foreign office is listed on form PTO 1449 and is enclosed herewith.

It is requested that the information disclosed herein be made of record in this application.

Please direct all correspondence concerning the above-identified application to the following address:

WAGNER, MURABITO & HAO LLP
Two North Market Street, Third Floor
San Jose, California 95113
(408) 938-9060
Customer No: 000041066

Respectfully submitted,

Date: March 1, 2007

By: _____
